# Java 1

Vježbe 11-12

Zadatak 01

Kreirajte Java aplikaciju koja omogućuje *drag and drop* funkcionalnost dana u tjednu s lijeve u desnu listu, kao što je prikazano na slikama.

Zadatak 02

Kreirajte Java aplikaciju za ažuriranje znanstvenih i stručnih radova prema slikama u nastavku, te naputku:

- Jedinstveni autori sortirani su po JMBAG-u i dodaju se pomoću *Dialog*-a
- Autori se iz glavne liste dodaju u listu odabranih *drag and drop*-om
- Forma mora biti validirana
- Radovi se zapisuju u xml datoteku, pritiskom na gumb *Save papers*
- Radovi i autori se osvježuju iz datoteke prilikom starta aplikacije te pritiskom na gumb *Refresh papers*

Zadatak 02
